

Reading Study Schedule

Student's Name: _____ **Date:** _____

Directions to the Instructor: In the column labeled Test Item Number, check the name of the test the student completes (Pretest or Posttest). Then circle the number of each test item missed or left blank. If the student misses one or more test items in a block, circle the number of the lesson that appears in the next column titled Lesson Number.

Directions to the Student: Complete the lessons whose numbers are circled in the order they are listed.
 1. Find the lesson with the same lesson number and title in the Reading system. 2. Read the page titled "To The Student," and follow the directions to complete the lesson and the Practice Test. 3. Enter the date(s) you work on the lesson and the date you pass the Mastery Test. 4. Each lesson has a worksheet you should complete. Record the date you complete the worksheet on this document. 5. Ask your instructor to enter the mastery test score on your Study Schedule. Follow these directions for each lesson.
