

## Pace Training Videos Outline

### **Training Video 1 – The Pace Approach**

- 0-8:29 - What is meant by the Pace motto, "Nothing Teaches Like Success"? - The history of development of Pace Learning Systems, through the work of the founder, Dr. John McKee
- 8:30-17:34 - Characteristics of a Pace Learning System and the needs of the target learner
- 17:35-20:40 - The Systems Approach - Pace's five-step model for operating a Pace System and managing individualized learning
- 20:41-end – The Five Principles of Programmed; the key features of Pace's instructional lesson format that allow for successful self-paced learning

### **Training Video 2 – The Pace Curriculum**

- 0-13:40 - Pace curriculum overview by system/subject area and by student/class level
- 13:41-16:10 - Locating program information and virtual samples of Pace materials at [pacelearning.com](http://pacelearning.com)
- 16:11-19:48- Discussion of text complexity and independent reading level of Pace programs
- 19:49-end - Locating and using the Pace Scope and Sequence

### **Training Video 3 – Pace System Components**

- 0-1:33-Pace System components overview; component categories
- 1:34-4:19 - At Your Own Pace series
- 4:20-5:57 - Accelerated Learning Lab; components in all areas
- 5:57-8:40 - Accelerated Learning Lab misc. components specific to certain subject areas
- 8:41-13:39 - Reviewing Accelerated Learning Lab component lists by subject area
- 13:39-15:22 - Reviewing the Instructor's Guide
- 15:23-16:53 - About Reading "Passages"
- 16:54-18:00 - Reviewing a Reading Lesson Worksheet
- 18:01-26:22 - Workforce Development System components
- 26:23-29:53 - Reviewing a Workforce Development Lesson
- 29:54-33:34 - Life Skills 25 design and components
- 33:25-36:42 - Reviewing a Life Skills 25 lesson
- 36:43-38:59 - Life Skills 25 Instructional Management Guide
- 39:00-40:15 - Life Skills Study Schedule
- 40:16-43:32 - Life Skills 25 in correctional education; Folsom Inmate Facilitator's Manual
- 43:33-end - Supplemental Life Skills resources

## **Training Video 4 – Pace Evaluation and Learning Management**

- 0:45-7:57 - Step 1: Orientation
- 7:57-13:22 - Step 2: Diagnosis; placement vs. prescription; Pace student placement and progression
- 13:23-15:31 - Step 2: Diagnosis; coordinating diagnostic tools
- 15:32-20:14 - Step 3: Prescription; three prescription options; prescription option 1 (scope and sequence assignment)
- 20:15-25:34 - Prescription option 2 (Pace Diagnostic Pretest/Posttest)
- 25:35-27:45 - Prescription option 3 (Coordination/correlation with tests and standards)
- 27:46-29:21 - Refining prescription with Practice Tests or Mastery Tests (accelerated diagnostic)
- 29:22-37:29 - Step 4: Learning Management and Step 5: Evaluation (the management/evaluation cycle); instructional format/design and student work process
- 37:30-45:33 - Reviewing a lesson
- 45:34-49:22 – The recommended "Workpage"
- 49:23-51:51 - Managing learning using the Study Schedule
- 51:52-56:34 - Managing learning using the Study Schedule - Rate of learning ('frames per minute' and fluency analysis)
- 56:35-end - Managing learning using the Study Schedule (learning efficiency)

## **Training Video 5 – Coordinating Pace with Tests and Standards**

- 2:44-5:02 - The Scope and Sequence, a key resource in coordinating Pace with outside objectives
- 5:02-12:59 - Using the Pace Scope and Sequence with diagnostic test results (CASAS Goals)
- 13:00-17:47 - Using the Pace Scope and Sequence to connect reading standards/objectives with applications in Science and Social Studies
